Action Taken Report Academic Session: 2023-24

The IQAC of K.K.Das College through Feedback Analysis Cell of the institution designs and collects feedback from its stakeholders to monitor and evaluate its performance quality on curriculum, teaching-learning process and college infrastructure related issues. For the academic session 2023-24, feedback was collected only from students. Based on the feedback analysis report, the action taken plan is prepared by the IQAC in consultation with the Principal. Subsequently, the action taken report is placed before the governing body as per the agenda for approval.

Issue	Action Taken
Some students have suggested to that bridge the gap between theory and practice, by offering opportunities for field experiences, hands-on learning, skill development, and more professionally oriented programmes like Computer Basics with Introduction to AI, etc. that shall enable them to participate in the workplace	The college has conceptualized self-financed as well as free add-on courses to address these emerging and diverse needs of the students. Each department is instructed to conduct add-on courses which will supplement their syllabus and will be integrated with other subjects also
More placement opportunities and information on future career options to aid field selection were also requested by the students	The College plans to conduct Career Fare annually and set-up a committee for this purpose.
Students of some departments have demanded more faculties for personalized attention and timely completion of syllabus	Send timely requisition of full-time vacant posts to College Service Commission and instructed all departments to conduct invited lectures, since appointment of guest faculties is barred by government order
Many responses have pointed out the need for more fans and proper ventilation in classrooms. There were also calls for improvement in wash room hygiene in both student and staff toilets.	In cognizance to the concern the overall maintenance of the college is decided to be upgraded
