Description:

Theatre and drama is a special genre in literature, and both the theory of drama and some plays of famous playwrights are included in the syllabus, especially for the Honours students. The department of Bengali took an initiative for the students to experience of stage-shows of a theatre performance. On 27th March 2022, 21 students of 6th semester reached to a public theatre hall and experienced a stage-performance named PAAKDANDI. This performance was a part of NATYA-MELA (drama festival) organized by Natya Akademi, Govt. of West Bengal.

This was a very special experience for the students since they have experienced how a written text transforms to a audio-visual text. That is to say, how a drama becomes a theatre. Along with this, the students learnt something that day which is beyond the confinement of four walls of the classroom.
