# The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (*Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013*)

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The College being affiliated to the University of Calcutta is bound to follow the University curriculum. However, it thrives at the smooth execution of the curriculum as assigned to the college.

- > Workload distribution as per specialization of the teachers.
- The faculties prepare study materials based on the curriculum and syllabus which are available in the online repository.
- The college maintains an academic calendar which helps in timely completion of syllabus. It also prepares students for final University examinations.
- > Examination committee ensures smooth conduct of examinations.
- A number of faculties are members of University appointed examination committee to frame question papers.

#### 6.3.2 Teaching and Learning

- i) Extra classes for slow learners have been arranged by some departments.
- ii) Special classes have been arranged after test examination for preparing the students for the University Examinations.
- iii) Study materials have been uploaded in college website which is available online.
- iv) Class tests have been taken at regular intervals as a part of continuous assessment procedure.
- v) Parent-teacher meetings are organised from time to time to make the parents aware of their wards performance.
- vi) Use of Language Lab to develop the language skill of the students by helping them to learn different languages.
- vii) Field trips have been organized by a few departments to help the students to enhance interest about their subject of study.

#### 6.3.3 Examination and Evaluation

- > The institution has a system of Continuous evaluation by giving assignments regularly and taking class tests. These are called formative assessment. The students' performance is also assessed through student seminars organized by different departments.
- The students' performance is also evaluated through Summative assessment like midterm and selection tests.
- > Transparency is maintained in the evaluation process.

#### 6.3.4 Research and Development

- Faculty members are motivated to take up UGC Research Projects (Major and Minor) and publish research articles in peer reviewed Journals.
- > The college is well equipped with computer and internet facility.
- Faculty members are encouraged to attend international / national conferences / symposia / seminars.
- > Currently there are three on-going Minor Research Projects
- On-line journals are made available for the faculty members through INFLIBNET facility.
- Library resources are updated regularly.

#### 6.3.5 Library, ICT and physical infrastructure / instrumentation

- The library is also well equipped with several volumes of text books, reference books, e-journals and computer software for conducive learning environment
- Digitization (Automation) of library was started in 2015-16 and was accomplished in 2016-17
- Research journals are kept in the library which can be used by the students and faculty members
- 186 new books have in added in this academic session and renewal of existing journals have been done
- All faculty members have been provided with unique user id and password of UGC N-List
- The "Best Library User Award" was introduced by the Librarian based on the highest number of books issued to a single student. This was done in order to attract potential library users to use the library resources.
- > Library plans to introduce an automated gate register (in-out system).
- Stock verification of 'weed out collection' of books will be done as soon as infrastructure is made available to the librarian. Thereafter the librarian wishes to submit a 'Stock Verification Report'.
- The Librarian has also proposed to introduce a collection of text books and reference books exclusively for the teachers based on the past statistics on usage of books by the teachers of various departments
- One smart class room has been made available as a step towards extensive use of information technology in the class rooms
- The college has a well-equipped computer lab which is regularly accessed by the faculties and students

#### 6.3.6 Human Resource Management

- The GB of the college along with a very open minded principal guides the teachers, staff and students with a very humane approach.
- Various sub-committees function in the college such as Finance, Purchase etc. Since the college has limited human resource, all the staff members are involved in a number of sub-committees and try their best to perform according to their capabilities.
- Employees are given utmost importance and their needs are recognized. The service rules are made transparent and they are benefited with PF, Gratuity, GSLI, etc.
- The faculty and staff are entitled with other benefits like Casual Leave, Earned Leave, Medical Leave, Study Leave etc.
- ➤ The faculties are being encouraged to pursue research works and other educational pursuits
- Proper infrastructural requirements especially uninterrupted electricity supply, safe drinking water and routine maintenance is provided to the working staff

#### 6.3.7 Faculty and Staff recruitment

- Faculties, in substantive post, are recruited through College Service Commission,
   W.B. following the directives as prescribed by the UGC
- > There are also Government approved CWTT and PTTs
- Guest Faculties are recruited through proper advertisement and selection process.
   They are usually College management appointed temporary lecturers

#### 6.3.8 Industry Interaction / Collaboration

- The Principal initiated for collaboration between the institution TAJSATS AIR CATERING LIMITED, KOLKATA.
- Further, the students of Commerce Department on account of project work in their curriculum are exposed to some amount of Industrial Interaction.

#### 6.3.9 Admission of Students

- > The admission procedure is conducted online form fill up since 2015
- The number of students admitted to each course is strictly contained within the intake capacity of the particular course of study.
- Reservation of seats for SC, ST and OBC candidates and other conditions for admission is as per the rules of the Government of West Bengal and University of Calcutta
- The online admission procedure is conducted with strict adherence to the stipulations laid down by University of Calcutta and under the meticulous supervision of the Admission Committee of the college
- > The decision of the Committee is deemed final in all aspects pertaining to admission
- During the admission process a student comes to the College only for verification of papers before paying admission fees, which can be paid through challan generated online
- This not only helped the students but also avoided unnecessary feuds which often take place when admission forms where issued from the college campus itself. This also helped in maintaining transparency during the admission process

#### 6.4 Welfare schemes for

Students	Half and Full free studentship (in Tuition fees) are provided to economically backward students at the discretion of the college. SC, ST, Minority, Kanyashree Scholarships are given to the students who are eligible Students from economically backward groups are supported by the college if he or she regularly attends classes.

Reforms?

6.11 Activities and support from the Alumni Association

- The Alumni association of the college acts as ambassadors of the institution. They connect with prospective high school pass out students to enrol for various courses in our college.
- They help in creating a perception regarding the goodwill of the institution and hence influencing the community.
- Through an annual alumni meet they also connect with the existing students and share their experiences and life skills.

6.12 Activities and support from the Parent – Teacher Association

#### Activities:

6.9 What efforts

NA

- > Parent Teacher meetings are held at regular interval
- > The Principal and teachers also meet the guardians of the first year students at the orientation programme at the beginning of academic session

#### Support:

- > The Parents are informed directly over phone about the PTMs
- > These meetings have facilitated parental participation in the college as a major stakeholder.
- These meetings have helped the college to evaluate the effectiveness of the academic activities
- A communication between the parents and the teachers have fostered a sense of discipline among the students, since the parents are appraised about their wards in the meetings

- 6.13 Development programmes for support staff
  - Office automation has taken place in the college and the support staff has been continuously given training about the operation of the new software by the college authority.
  - ➢ HRMS of salary package by the Govt. of West Bengal has been introduced; required training for the office staff was made by the finance department and educational directorate of the State Government.
- 6.14 Initiatives taken by the institution to make the campus eco-friendly
  - Plantation Planting trees and beautification of the campus and cleaning of its surrounding feature in the regular activities of our NSS program schedule
  - Waste management Wastes are stored in suitable containers till proper disposal is done
  - E-Waste management The e-waste generated is stored in the campus and disposed as scrap
  - > The campus is **no-smoking** and **plastic free zone** in the nearby vicinity
  - > Wastage of paper has been minimized through digitization

- 7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year
  - Revision of the evaluation system of the students. Apart from the summative assessment directed by the Parent Institution, University of Calcutta, class tests in regular intervals have been introduced
  - > Beautification of college campus and its surrounding areas
  - > Development of physical infrastructure of the Canteen
  - Development of ICT infrastructure
  - > Faculties have been encouraged to undertake research activities
  - > Development of accommodation for 50 more students with a new class room set up.

7.3 Give two Best Practices of the institution (please see the format in the NAAC Self-study Manuals)

#### Best Practice I – Towards Holistic Development

Objective: Sensitize the students on issues of sensual and temporal relevance so as to ensure their holistic development

Practice and Implementation: To build sensitive and self-reliant citizens the following practices are emphasised

- Value education by communicating "words of wisdom" to students is done by the Principal daily.
- ➤ The Principal enthusiastically encourages NSS activities, as mentioned in the preceding sections, has inculcated the feeling of social welfare in students. These activities have taught the students the spirit of teamwork and to be socially responsible, by working towards the upliftment of the society.
- Regular student-centric seminars have been organised on cross cutting issues

The Outcome: The overall academic environment of the college has improved. Students have become more socially responsible. The relationship in between students and teachers has strengthened.

Best Practice II – Work Audit Calendar

Objective: All academic and administrative work is peered by the Principal through meticulous planning and regular work audit

Practice and Implementation: The College has limited human resource and a never ending emerging workload. Towards managing and delivering such workload effectively the Principal has evolved the following practices:

- Designed a workload calendar distinctively distributing and indicating the administrative workload of each staff.
- > The academic assignments of the teachers are monitored as well.

Outcome: Work lag is getting minimisedeachers of the college also act as mentors to the students

\*Provide the details in annexure (annexure need to be numbered as i, ii, iii)

7.4 Contribution to environmental awareness / protection

With the focus on protecting the environment K.K. Das College has undertaken a number of initiatives. The initiatives involve an Eco Club and activities of NSS which creates environmental awareness amongst the students. The activities include

- > Planting trees in college campus and public areas in the vicinity
- > Turning of lights and fans in unoccupied classrooms and corridors
- Traditional incandescent like electricity consuming light bulbs, campus halogens are replaced with energy efficient LED/CFL lamps
- Wastage of water is surveilled by the students in students' wash room and drinking water area
- > The campus has been made No Smoking and Plastic Free Zone
- The installation of RO water filter, in each floor, has contributed towards reuse of plastic drinking water bottles
- Adoption of digitalization for administrative and academic purposes have reduced consumption of paper
- Computers are used in 'sleep' mode to conserve energy, when turning them off would be impractical
- > Waste bins are maintained to dispose off wastes generated within college campus
- > The college also maintains a proper e-waste disposal

7.5 Whether environmental audit was conducted?

Yes

No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Currently running on the perspective "*Small is Beautiful*" the college aims at reaching greater heights in the coming years. Since its inception, the college has been reaching out to students from needy background. The dedicated team of faculty members and staffs are incessantly working towards the educational upliftment of the students. A healthy relationship between the students, teachers and college administration has been the strength of the college.

The only obstacle faced by the college towards reaching its goal is paucity of appropriate funds. It often leads to delay in implementation of plans for future progress of extending the college campus and introducing new course

### 8. Plans of institution for next year

- Vertical Expansion of college building
- > Introduction of new subjects for undergraduate degree courses
- Continuous development of academic environment
- > Development of  $360^{\circ}$  feedback mechanism
- Upgradation of ICT infrastructure
- Linkage with industry
- Upgradation of Library services
- Recruitment of non-teaching staffs
- Approach to the proper authority for creation of new teaching and non teaching staff
- Promotion of extension activities

#### Annexure II

#### Feedback Analysis

# **Feedback Report**

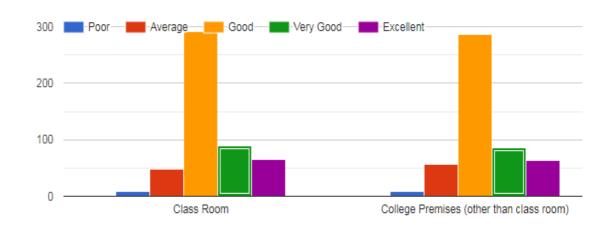

The development of any organization, especially an institution, heavily depends upon a well functioning feedback system. It requires a thorough preparation to initiate, launch and implement the feedback system. K. K. Das College has been practicing a feedback system for the past few years accommodating all the stake holders including staff, students, alumni, and parents, to help the individuals and institution as a whole, to improve the performance and effectiveness.

The feedback has been designed in a manner so that every students can express their opinion on all aspects of the college. The questionnaire consists of five sections comprising 31 questions. The major sections are

- > College
- ➢ Office
- ➢ Library
- Computer Laboratory
- ➢ Canteen

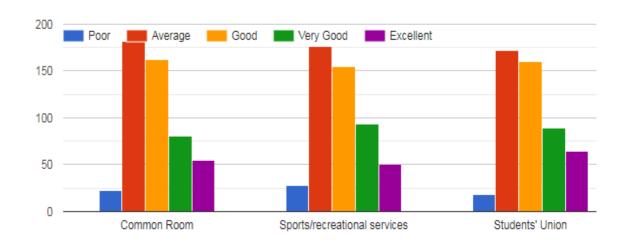

The activities of the institution in the above five sections are being analyzed to create a quality profile for the year in relation to institutional vision and goals.

### **College:**

## Comfortability of

A majority of students reported the comfortability of classrooms and college premises to be "good"

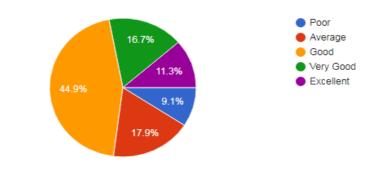

# Facilities of

However, the facilities of common room, sports/recreational services and services of students' union has been rated as "average" by 36% of the students, while approximately 32% of the students rated these services as "good"

# **Feedback from Parents**

Feedback was collected from the parents of the students to assess the satisfaction of parents regarding the various services and facilities provided by the college. It helps the institution to gain an insight into how college could improve on various parameters. It helps to strengthen the quality of teaching-learning environment in the college, assess and improve academic, non-academic, infrastructure facilities, etc.

Feedback was sorted and the opinion obtained for each parameter is represented as percentage of total number of feedback response obtained.

Feedback response from the parents indicated on an average high satisfaction rate on different parameters. Parents rated opting for admission to this college high on three grounds viz. location, environment and ambience and discipline. The majority of parents have given high ranking for well managed and transparent admission procedure to attract students.

Parents were very satisfied by the security and overall discipline of the college. High rating was given to the academic atmosphere. There were numerous positive comments on teaching and teacher - student interaction and teachers were described as caring, cooperative, approachable and efficient. Largely the concern reflected by the parents was on infrastructure of the college, but overall there is high satisfaction. On analyzing the feedback received, it is observed that parents are largely satisfied by the efforts made by the college administration in admissions, been shown by the parents on implementations of some of the suggestions made by them.

### **Policy Prescription:**

Based on the feedback obtained, the college has conducted faculty meetings, from time to time, where the ways and means of enhancing the academic discipline and Teaching Learning process were discussed. During such meetings, the individual faculty members have expressed their honest opinion on the teaching learning process, research and extension activities and the same would be debated and discussed. The appropriate suggestions are put forward to the head of the institution for implementations.
